TWO WAYS TO JOIN

What you get

TAVEXA MINI is a social mining network: mine TVX, level up, mine with your crew and climb the weekly leagues. Every reward here is paid in TVX, plus recognition and early access.

Example profiles - your role chip shows on your public profile, in chat and on the leaderboard.

PART 1 · FOR PLAYERS

Ambassador

Represent TAVEXA in your country, bring real players and create content.

- **1,000 – 15,000 TVX** every month
- **AMBASSADOR** chip + title, +5% mining while active
- Profile frame and Elite pickaxe skin at higher tiers
- Ambassador of the Month: **+5,000 TVX**

PART 2 · FOR CREATORS & COMMUNITIES

Partner

Creators, Telegram and Discord communities, apps and brands.

- Welcome bonus up to **50,000 TVX**
- Monthly base + **30–50 TVX** per activated player
- **OFFICIAL PARTNER** chip and a named invite link
- Growth bonus up to **100,000 TVX**

Fair by design. Only real players count: an invite is "activated" when your friend reaches **Level 4**. Program TVX never counts toward leagues or leaderboards, so rankings stay a fair race.

Our side of the deal

Fair counting from app data · a ready asset pack (logos, Tavi, screenshots, short videos) · a direct line to the team · early news.

PART 3 · EVERYONE

Ten rules

1. **No cash-out talk.** Never say TVX can be withdrawn, sold or swapped, or that a token or airdrop is coming.
2. **No spam** - no mass DMs, bots or copy-paste across groups.
3. **No fake activity** - no multiple accounts, invite farms or paid installs.
4. **Never reward Play reviews.** Ask for honest feedback only.
5. **You are not staff** - no promised features or dates.
6. No paid ads with the TAVEXA name without our written OK.
7. Use the official logo and assets unchanged.
8. Follow platform rules and local law; disclose rewarded posts.
9. Respect people - no harassment, never share private data.
10. Keep the program groups confidential.

Minor issue: a warning. Second issue or any spam: removal. Fraud: removal, program TVX reversed, possible ban.

QUESTIONS

FAQ

Can I turn TVX into money?

No. TVX is an in-app unit with no cash value today, and nothing in this program promises otherwise.

Why Level 4?

So the program rewards real players, not empty sign-ups. Reaching Level 4 takes a few days of real mining.

Do I earn from my friends' invites?

No. Only people you invite directly count.

Will program TVX top the leaderboard?

No. It goes to your balance but never counts in leagues, leaderboards or badges.

Ambassador and Partner at once?

Pick one. Past 2,000 followers you can move from Ambassador to Partner.

What if I stop?

Earned TVX stays yours. Senior and Elite keep their chip, title and frame.
